

FRESH PERSPECTIVES

PBS viewers across the country have been getting a closer look at **Christiane Amanpour** since 2017, when she joined the late-night line-up with *Amanpour on PBS*. Stay tuned this month for a new and expanded show featuring Amanpour and a stellar lineup of journalists in the all-new ***Amanpour and Company***.

The new series — a collaboration between WNET and CNN — expands CNN’s flagship program *Amanpour* and is a proud addition to WLIW21’s stable of trusted news programming, which includes *PBS NewsHour*, *PBS NewsHour Weekend*, *Washington Week*, *MetroFocus* and *Firing Line with Margaret Hoover*, among others.

Amanpour and Company will feature wide-ranging, in-depth conversations with global thought leaders and cultural influencers on the issues and trends impacting the world each day, from politics, business and technology to arts, science and sports. Christiane Amanpour leads the conversation on global and domestic news from London with contributions by prominent journalists Walter Isaacson, Michel Martin, Alicia Menendez and Hari Sreenivasan from the Tisch WNET Studios at Lincoln Center in New York City.

Christiane Amanpour has been at the forefront of international news reporting for more than three decades, delivering breaking news from war-torn Iraq, Afghanistan, Bosnia, and other conflict hotspots around the world. As CNN’s Chief International Correspondent, she has interviewed almost every major world leader, and earned every major television journalism award, including 11 News and Documentary Emmy Awards, four Peabody Awards, two George Polk Awards, three duPont-Columbia Awards, and the Courage in Journalism Award.

The trust of her viewers is not something that Amanpour takes lightly. “The most rewarding aspect of this profession is being an activist for the truth,” she said in a recent interview with *InStyle* magazine.

Summer’s over — and book lovers everywhere are rejoicing! Why? This month marks the return of *The Great American Read*, the television and online series that launched in May, which invites viewers to explore the power of books and the joy of reading through the lens of America’s 100 best-loved novels, as voted on by the public.

Hosted by Meredith Vieira, the series kicks into high gear with seven new episodes. Martin (*A Game of Thrones*), Chelsea Clinton, Henry Louis Gates Jr., Neil deGrasse Tyson (right), and Ming-Na Wen are among the authors, celebrities, and notables who share their personal stories and connections to their favorite book.

As Europe teeters on the brink of war in 1939, ten strangers with dubious pasts are lured to an isolated manor on Soldier Island. When members of the party start to mysteriously die, the others realize that a murderer is among them, and self-preservation becomes the only option. Features Aidan Turner (*Poldark*), Sam Neill (*Jurassic Park*), Charles Dance (*Game of Thrones*) and Miranda Richardson (*Harry Potter*).
