

■ Visit thirteen.org/summer69 for more on Stonewall 50 and other historic events that took place in the Summer of 1969.

This month, millions of people will flock to New York City for WorldPride, a global celebration of LGBTQ rights, and to commemorate the 50th anniversary of the Stonewall riots in Greenwich Village that sparked the modern LGBTQ civil rights movement. Get in the spirit for these historic festivities with our LGBTQ Pride Month specials.

In honor of Stonewall 50, we present an encore of *Stonewall Uprising* (Wednesday, June 5 at 9pm), a landmark *American Experience* film told by those who took part in or witnessed this momentous event — Stonewall patrons, police detectives, journalists, former New York City Mayor Ed Koch, and more.

The Lavender Scare (Wednesday, June 19 at 9pm), narrated by Glenn Close, tells the story of the four-decades-long witch hunt that began in 1953 when President Eisenhower declared homosexuals “security risks” and ordered the firing of government employees suspected of being gay or lesbian.

50 Years of Fabulous (Wednesday, June 26 at 9:30pm) recounts the history of The Imperial Council, the oldest LGBT charity organization in the world, founded in San Francisco by activist and drag performer José Sarria in 1965.

ALSO THIS MONTH

The heart-wrenching and emotional Tony Award-winning play *Indecent* comes to *Great Performances* (Wednesday, June 12 at 9pm). The play dramatizes how freedom and ideas were persecuted in the 1920s and conveys a message of love and tolerance to audiences worldwide.

Laughter abounds in *Vicious Special* (Wednesday, June 19 at 10pm) the uproarious Britcom starring Ian McKellen and Derek Jacobi.

And for your night-owls: Christian Borle, Stephanie J. Block, and Andrew Rannells star in an encore of *Live From Lincoln Center: Falsettos* (Thursday, June 21 at 1am), a musical set during the emerging AIDS crisis. And love, faith and civil rights collide in Eureka Springs, Arkansas, as evangelical Christians and drag queens join forces in *POV: The Gospel of Eureka* (Tuesday, June 25 at 1am; 9pm on ALL ARTS).

ENDEAVOUR ON MASTERPIECE

The sixth season of the popular prequel to the beloved *Inspector Morse* series kicks off with Endeavour – who is sporting a new look – returning to Oxford to investigate a murder, but doesn’t believe the main suspect is guilty.

Following the dissolution of the Oxford City Police and the merging with Thames Valley Constabulary at the end of the last season, the new season picks up with the team dispersed as they find their feet in their various new roles. Despite their separation, the tragic murder of a colleague still hangs over them both collectively and individually, with the case remaining unresolved.

SEASON 6 PREMIERES MONDAY, JUNE 17 AT 8PM
