When a sleepy 1960s Welsh mining town’s only doctor dies, the only replacement the union representative could find arrives, straight from India. Dr. Prem Sharma (Sanjeev Bhaskar, Yesterday; Unforgotten) is better educated and more cultured than anyone they know, friendly, and eager to help the community. However, his regal wife Kamini (Ayesha Dharker, Outsourced; Star Wars: Episode II—Attack of the Clones) would much prefer the lavish lifestyle of London. Without the dozen or so servants the couple had back in Delhi, Kamini has to figure out the kitchen... and as such is determined to leave the sleepy coal-mining town as soon as possible.

_The Indian Doctor_ interjects comedy with heavier themes like fitting in, overcoming prejudices and demonstrating courage in the face of possible ruin. Critics can’t stop themselves from binging the British drama. _Paste Magazine_ notes, “it’s got a really good personality,” and comments on how the main characters are exceptionally charming: “Dharker is totally amazing—by turns snobbish and engaging, vivacious and resentful, steely and vulnerable. Bhaskar is a perfect foil, combining a relentless optimism with some deeply buried and potentially explosive inner pain.”

The first season revolves around seemingly friendly colliery manager Richard Sharpe, and his dark secrets that were detailed in the deceased doctor’s diaries. With access to that evidence, Prem becomes determined to reveal the truth, as he and Kamini quickly become embroiled in the lives of the villagers.

Can’t wait for the weekly release of each episode? All three seasons of _The Indian Doctor_ are now streaming exclusively in WLIW21 Passport. BritishTVPlace.com sums it up: “It isn’t often that I stream an entire season of a show in one sitting, but I did with... _The Indian Doctor_ because it is that good... And you should give it a go, too.”

MORE “EASTENDERS” TO LOVE

Beginning August 3, audiences will be able to travel to Albert Square in London’s East End for three episodes of Eastenders every Tuesday night.

In the popular soap opera, which has been running on-air since 1985, residents deal with life, love and loss. The program focuses on contemporary issues like family relationships and a sense of belonging in the community, while tackling hard-hitting topics like rape, racial prejudice, unemployment, euthanasia and homosexuality.
**WLIW21 AUGUST 2021 SCHEDULE**

**PLEASE NOTE:** All airdates are subject to change. For the most current listings, visit WLIW21’s schedule page at wliw.org/schedule. Primetime listings are available on the WLIW21 Program Schedule Hotline at 212.560.8021 — press 3 for programming, then press 1 for program schedule.

Monty Python’s influence on comedy has been compared to the Beatles’ influence on music, a pivotal moment in the evolution of television humor. Celebrate the troupe’s cultural legacy and impact by pairing their original material with new and entertaining commentary from celebrities who consider Monty Python hugely significant, both personally and to the history of screen satire.

**MONTY PYTHON’S BEST BITS CELEBRATED**
