

# Happy Campers

The school year has officially ended, but learning takes center stage all summer long at WLIW21, thanks to *Camp TV*, public media's series for kids ages 5-10 that brings the magic, learning, and fun of the day camp experience to your living room!

The summer adventure series debuted last summer in response to the COVID-19 pandemic, which shut down summer camps across the country. Providing fun activities and learning adventures for kids missing out on the summer camp experience, *Camp TV* is hosted by a head counselor played by exuberant Broadway performer Zachary Noah Piser (*Dear Evan Hansen*, *Wicked*), who guides campers as they learn through play.

Head counselor Zach kicks off each episode with a welcome song and announces the day's theme, which in Season 2 will include Summer Celebration Day, Snow Day, Patterns Day, Inside Out Day, Independence Day, Celebrate Your Name Day, Sports Day, Royalty Day, Travel Day, Mismatched Shoe Day, Favorite Animal Day, Ocean Day, and more. Zach guides campers through a variety of activities, exploring nature, math, science, the arts, movement, storytelling, writing, and more.

Each episode includes special appearances by artists and teachers from leading cultural and educational institutions across the New York metropolitan area and beyond—including San Diego Zoo Wildlife Alliance, South Dakota Children's Museum, and Utah-based One Voice Children's Choir—as well as a storytelling segment featuring a different book of the day. The series will also spotlight content from PBS stations across the country.

We're travelling across the U.S. with *Camp TV*, but why stop there? ***Wild Kratts: Cats and Dogs*** (Tuesday, July 13 at 6:30am) takes kids to Africa's savanna, where Martin and Chris must foil Zach's scheme to capture and sell these wild cats and dogs. Can they save the day?

SEASON 2 AIRS WEEKDAYS FROM 9AM – 11AM  
BEGINNING JULY 5

## PROFESSOR T—A NEW TAKE

**Professor Jasper Tempest (Ben Miller, *Death in Paradise*) is obsessed with cleanliness, structure and order.** But his genius for solving crimes means he constantly has to get his hands dirty, helping the under-resourced police to crack their most difficult cases. The cracks in his carefully constructed emotionless exterior begin to show as Professor T is dragged far from his comfort zone and is forced to confront his painfully suppressed feelings for an old flame, Detective Chief Inspector Christina Brand.

This new production gives a British flair to the original program from Belgium, which ran for three seasons.

SERIES PREMIERES MONDAY, JULY 12 AT 10PM
