

# Saying Farewell: Eastenders

SERIES ENDS TUESDAY, NOVEMBER 2 AT 10PM

THE CORONER BEGINS TUESDAY, NOVEMBER 9 AT 9:30PM

Since 1997, WLIW has proudly brought popular British soap opera *Eastenders* into your homes. Sadly, the series is no longer available in the United States. As a result, the final episodes will air on Tuesday, November 2 at 10pm.

We want to say THANK YOU to the loyal, fervent fans in our community – many of whom are WLIW members – who have specifically helped make this program possible with your financial and promotional support. We hope you will join us as we say farewell to this beloved series.

So, what will fill the schedule after *Eastenders* airs its final two episodes? We turned to you – our enthusiastic supporters – to decide! You had the choice between three new British dramas online and on Twitter. After checking the poll results, the winner was clear: ***The Coroner* will be coming to WLIW21.**

In the BBC series, solicitor Jane Kennedy (Claire Goose, *Unforgotten on Masterpiece*) returns to the seaside town in Devon she left as a teenager to take up the post of coroner, becoming an advocate for the dead as she investigates sudden, violent or unexplained deaths. With a new and intriguing case to investigate in each episode, Jane finds herself having to work with her former boyfriend, now the local detective. ***The Coroner*** combines mystery with the lighthearted drama of Jane's relationships with her family and the community. While Jane is talented and tenacious in seeking justice for the dead, her personal life is a bit more haphazard.

For you eagle-eyed watchers: if the scenery looks familiar, that's because the program is set in scenic Devon, the county where *Poldark on Masterpiece* and *Delicious* takes place.

## STAR POWER

Over a career spanning more than 70 years, Rita Moreno defied her humble upbringing and relentless racism to become one of a select group who has won Emmy, Grammy, Oscar, and Tony Awards. ***American Masters – Rita Moreno: Just a Girl Who Decided to Go For It***, (Wednesday, November 3, 9 pm) explores Moreno's path to stardom, revealing her talent and resilience as she broke barriers and paved the way for new generations of artists.

"I was surprised by my willingness to share some very, very personal stuff," said Moreno in an interview with THIRTEEN. "There were some difficult questions asked of me, but I promised myself that I would be as truthful as possible."
